# Juniors for seniors-active aging

- Project presentation for participants
- Version 8
- 24.2.2020
- Slavka Zupan, Miha Ješe

# About the project

Coordinator: Municipality of Škofja Loka + 11 associated partners  
Project duration: 1.9.2019 – 30.6.2021  
Budget: 146.160 EUR

## Relevant general program objective:

- ✓ **Foster European citizenship** and to improve conditions for civic and democratic participation at Union level

## Relevant specific aims:

- ✓ **Encourage democratic and civic participation of citizens at EU level** by developing citizen's understanding of the union policy making processes and promoting opportunities for societal and intercultural engagement and volunteering

## Relevant priority:

- 
- ✓ **Debating** the future of Europe and challenging Euroscepticism

# Objective

learning from others best practices in addressing the ageing challenge through a debate

✓ The network of towns promotes **the debate on the future of Europe** by addressing and **discussing the topic of Europe's aging population** and the issues arising from this fact.

→ ✓ The focus will be **on a local level, comparing the local and national policies /initiatives/ best practice examples** in 12 different municipalities and countries throughout Europe.

Recommendation paper

# Debating over 1+5 events

**IMPORTANT!**  
Active involvement  
of youth and seniors

## TOPICS

- 
- ✓ **Getting familiar with the challenges of aging in participating towns and make European comparisons**
  - ✓ **Learning best practices in active aging measures, services, organization**
  - ✓ **Impacts of aging on local level = towns**
  - ✓ Euroscepticism among seniors citizens
  - ✓ Contribute to Fact-based opinion-making of the juniors

## APPROACH

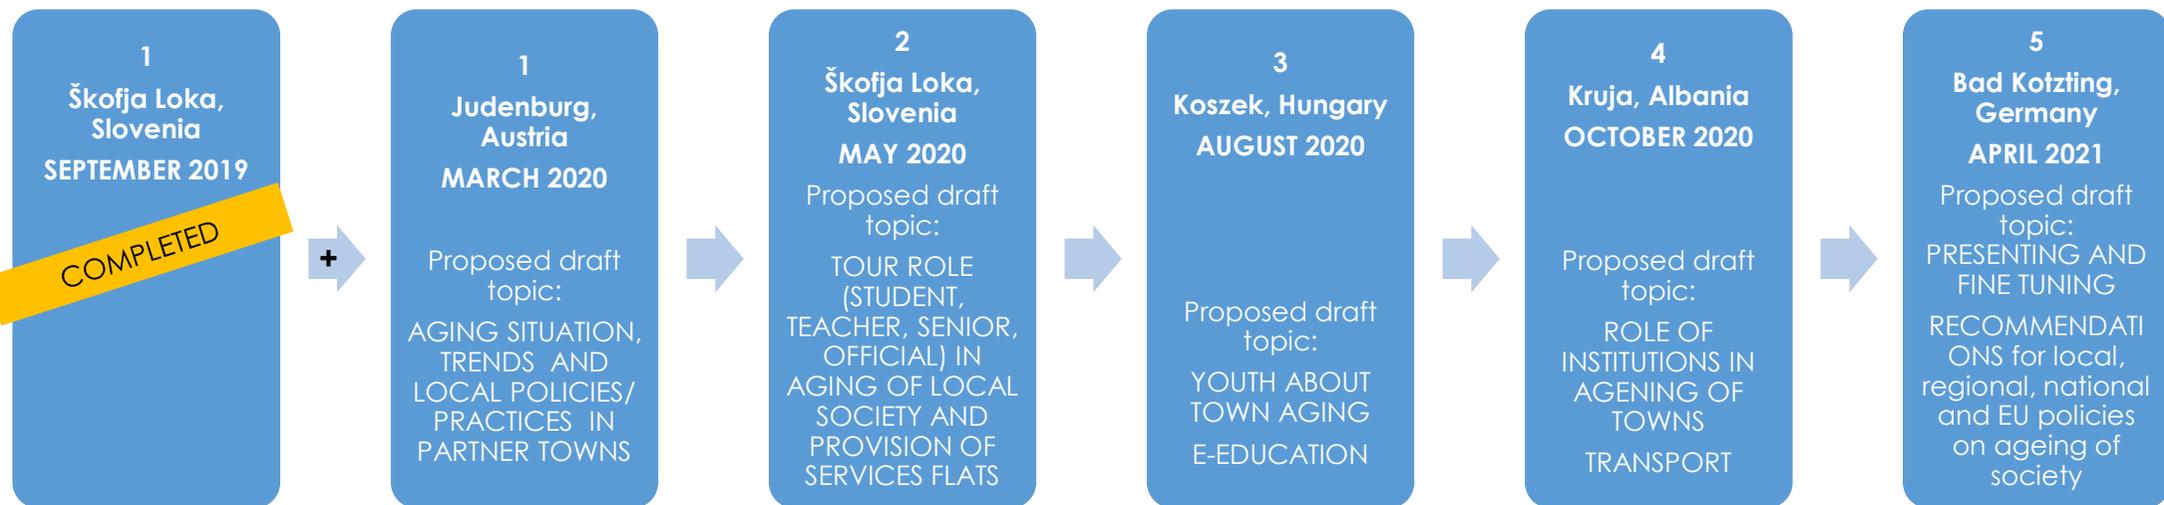

- ✓ Inter-generation debate
- ✓ Inter-institutional debate
- ✓ Cross-sectoral debate
- ✓ Cross-expert debate
- ✓ Transnational debate

Workshops will itself practice intergeneration cooperation (e-democracy tools, guided smartphone site visits ...)
